Tap 'Settings' 3 Enter your master code 4 Tap 'Installer Toolbox' 5 Enter your installer code.. \*\*\*\*\* RULES: • No abusive behaviour This is a forum for friendly discussion, personal attacks will not be tolerated and you will be banned without warning.. Q: Hello I found your list of with my Vivint Sky Panel Once I buy them how do I go about adding them to my Sky Panel? What type of functionality will I get from it? A: Hello, so I have listed the steps in order to add Z-Wave Devices to your Vivint Sky Panel below.. First try moving device or panel closer to each other 1-2 feet for initial pair and then you can move it back to its home location.. More Posted in Powermax Topics, Powermaster Topics, 0 comments Connecting PSTN (Land-line) to PowerMax and PowerMaster Alarm Panels This article explains how to connect the PowerMax and PowerMaster alarm control panels to the telephone network and programme it.. Override or Master Code for a DSC Alarm Post PC1555mx reset done ok, but some problems left..
